200m

4x400m Relay

We've had a great indoor season, and now we have an invitational to help jump start our outdoor season. This meet brings with it some great teams to compete against on both the Varsity and F/S level. Some of these programs consistently produce some of the best teams in the state, and they will provide us with excellent opportunities to show what we can do. Therefore, we will need to be ready to bring our "A" game. We need to be focused on the task at hand and use our experience gained from a quality indoor season. Be prepared for all kinds of weather and be sure to cheer on your teammates.
