-1600m relay

Arrive at the track by 7:45 for the TEAM WARMUP at 8:00!! Everybody must attend this meet whether or not you are competing. We will need everybody's help running the meet. Our camp will be the South equipment shed. Again, since this is a home meet, you will have to be extra responsible for yourselves. Your coaches will be busy making sure the meet runs smoothly. Those not competing, you will be assigned a designated area to assist, so make sure you are performing your assigned duty. Those who are competing, make sure to also assist with the hurdles.
