Given the projected weather on Saturday we are working to provide a safe and opportune time for pole vaulters and high jumper to compete.

We have been working to rearrange some of our officials and are planning to welcome both our invitational and open pole vaulters on Friday evening. We are also going to provide the opportunity for High Jumpers to compete on Friday evening.

We will still plan to contest pole vault and high jump on Saturday as long as conditions are safe but hope that some will take advantage of the opportunity to compete on Friday if transportation allows.

At the end of competition on Saturday we will merge the results of both Friday and Saturday to determine our scoring and champion.
