**Message from the Wego XC Team** – The theme of this year's race is **The Human Race**, in an effort to emphasize how we are all part of one collective community of humanity. We are focusing in on one particular ethnic group, the Rohingya in Myanmar, who have been persecuted by their government, where roughly one million have been displaced to refugee camps in Bangladesh in order to escape the genocidal actions of Myanmar's military. We are selling shirts for \$15, and \$5 from the purchase of each shirt goes to BRAC, which is actively working to alleviate the acute struggles of the Rohingya refugees in their Bangladeshi camps. Water and baked goods will also be available for \$1 each with proceeds benefiting the same organization.

The shirts are hunter green, so feel free to show your support for the human race by either purchasing a shirt, or adding hunter green to your wardrobe choice for the day.
