Mike VanDeveer Track and Field Invitational

Coach VanDeveer passed in 2015 after a 10 year battle with Alzheimer's disease. He served as a driver's education instructor at GHS for over 34 years. During this time he also served athletics as an assistant football coach, head cross country coach, and assistant track and field coach. Coach VanDeveer's head track coaching tenure spanned over three decades from the early 1970's through his retirement from education in 2005. During this time he was the head coach of the boys and girls programs and taught hundreds of athletes how hard work, dedication and competing in the athletic arena will make you not only a fierce competitor, but more importantly a successful person.

During his time as skipper of the "Blue Smoke" Track and Field some of Coach VanDeveer's accomplishments were:

- 2nd place IHSA Class A Track and Field in 1986
- 3rd place IHSA Class A Track and Field in 1989
- 4 Sectional Championships
- 2 Individual State Champions
- Coached 15 All-State individuals in 10 different events
- Coached 12 All-State relays
- 2 State Championship relays
- Illinois Track Coach of the Year in 1989

This track meet is named in his honor and in recognition for his love of coaching high school athletes in the great sport of track and field.

26th Annual Mike VanDeveer Track and Field Invitational

Saturday, April 15, 2017

Check – in: 8:00 – 8:30 am. Please pick up coaches packets in the building north of the finish line. Scratches will be done at this time as well. Replacement of athletes will be allowed per IHSA guidelines.

Implements: All throwing implements will be weighed and inspected at the building located closest to the finish line.

Field Events: *High Jump/Pole Vault* – Starting heights will be determined at the coaches meeting before the meet.

Pole Vault weight verification: Pole Vault entry cards must be presented to the pole vault judge. The judge will then record each vaulter's verified weight on the pole vault event sheet. Once this has been done, each vaulter's coach must initial the weight on the event sheet. All poles to be used must be inspected and approved by the head judge prior to warmups and competition. Pole inspection will take place at the event site.
