This is our final weekday meet of the year where everyone gets a chance to compete. Let's all take advantage of this opportunity to compete sharpen up for the final meets of the season. As if we need any more motivation to compete hard, it's also a dual against Batavia, so we should be extra motivated to compete against them!

Trust in your training and that your body knows what to do because of all the practice it's had these past days, weeks, and months. You all have done a great job this year supporting and cheering on your teammates. Let's keep that up these next few meets as well.
