- 200m dash
- 4x400m relay

Girls, the indoor season is in full swing, and we are ready for another invitational. This is a great meet for us at this point in the season, and another great facility to compete at as well. For this meet, 1/4th spikes are allowed. You will need to put the shoes on and take them off when you enter/leave the track. They are also asking to keep all our gear in the gym and only water in the field house. Their field house is much newer than Batavia's and they want to keep it as nice as possible for as long as possible.

This is an excellent opportunity to continue to show progress against a few other teams. This is also our final unlimited entry meet, and it will be important to make the most of your opportunity to compete and do your best. Continue to prepare well for your event, focus your energy, compete hard, and cheer on your teammates. I've been impressed with the team spirit and positive energy so far this season, keep that up!
