### OTHER MEET INFO:

This will be a full meet with all the events competed along with boys competing as well. This means there will be more time between events. Please continue to be vigilant with monitoring when you need to prepare and warmup/check in for your events.

Let's use this meet as a chance to put that hard work to use. This meet is a great chance to give a great effort and to try new techniques and strategies we've been working on so far this season. We now have one meet of experience to build from. Let's use that experience to take the next step and continue our progress. The spirit and enthusiasm were fantastic for the first meet of the year, and let's keep that rolling!

Track meets take several hours, so plan accordingly and bring snacks and drinks to keep properly fueled.
