- 1600m run
- 200m dash
- 4x400m relay – FS then Varsity
- Thrower 4x100m relay

Arrive at the track by 7:50 for the TEAM WARMUP at 8:00!! We will need everybody's help running the meet. Our camp will be the South equipment "SHE" shed. Again, since this is a home meet, you will have to be extra responsible for yourselves. Your coaches will be busy making sure the meet runs smoothly. Those not competing, you will be assigned a designated area to assist, so make sure you are performing your assigned duty. Those who are competing, make sure to also assist with the hurdles.

Let's have fun with all the relay events, especially those that are unique to relay meets. This is a great day to show that Geneva is **Leave it ALL on the Track!**
